Elective Courses

Students choose any 5 finance elective courses offered to complete the program.

*The above courses are subject to change at the discretion of MSc Programs Office.

Admission Requirements

Applicants should meet the following requirements:

• **A Good First Degree:**
  Applicants must possess a bachelor's degree from a recognized university or approved institution with satisfactory academic performance.

• **Work Experience:**
  Applicants for part-time study mode should have at least one year of full-time post-qualification work experience. For full-time study mode, work experience is not required but applicants with relevant work experience will have an advantage.

• **GMAT/GRE:**
  Compulsory and required for consideration and short-listing. Applicants must achieve satisfactory quantitative and verbal scores on the GMAT/GRE test.

• **English Proficiency:**
  Applicants whose first language is not English, or whose bachelor's degree or equivalent qualification* was awarded by an institution where the medium of instruction was not English, must show sufficient mastery of the English Language as measured by the TOEFL/IELTS examination.

*Qualification with duration equivalent to a full-time bachelor's degree (i.e., at least 3 years)
